

I Have Something Very Shiny

Capo 3 GG/CC/GG/D/GG/CC/GD/G

Refrain:

Everyone has special things—
Great big to tiny;
Come on, join us! Let's all sing
'Bout something very shiny!

Example Verse:

Jonny likes to go fishing
Mary likes to draw
Pete eats mashed potatoes cold
and I eat spaghetti raw!

Everyone sings the refrain together each time between verses. First three lines of each verse end with an individual student's words about his/her own talents or skills or hobbies, songwriter must then come up with a new 4th line rhyme each time.
